

Walk On! Age-Friendly Pedestrian Safety and Walkability

Are you concerned about walking in winter? Do you want to know how safe and accessible your neighbourhood is for seniors and other valuable pedestrians?

Join us for the launch of the *Progress Report 2018: Age-Friendly Walkability and Safe Streets for Seniors and Other Valuable Pedestrians* and the *2019 Snow Mole Winter Walking* audit program. We'll review the most recent age-friendly walk audits, our recommendations for improvements, and everything you need to know about walking in winter.
